

Attention new(ish) Tenure-Track Faculty

The Faculty Development committee presents

Tenure Process Panel featuring:

Taylor Dotson, Communication, Liberal Arts, Social Sciences

Julie Ford, Mechanical Engineering

Corey Leclerc, Dean of Engineering, Chemical Engineering

Praveen Patidar, Chemistry

Bill Stone, Mathematics, Chairperson and

Former Dean of Arts & Sciences

Moderated by **Kip Carrico**, Environmental Engineering

Wednesday, November 16, 2022

12-1pm Speare 113

Come and listen to information offered from faculty who have both been through the tenure process and evaluated tenure cases. The panel will offer strategies for successfully navigating the tenure process and answer your questions.
