Notes on rates:

Rates are subject to change.

The Instron and ARES will never be run unassisted.

The Instron will require two operators at all times.

(\*) For runs over 4 hours, time is scaled as: equivalent time = 4hrs+(time-4hrs)/3

There is an extra charge of \$5/pan if more than 2 DSC pans are used per hour.

For TAM Air Batching + 5 hr student time = \$300
