

## CHART A: ESTIMATED COSTS for 2003-2004

Figures for “Tuition and Fees” for 2003-2004 are fixed, but medical insurance premiums are subject to change. Costs for “Books and Supplies” and “Room, Board, Miscellaneous” are not fixed, but are based on averages experienced by our international students. “Room, Board, Miscellaneous” assumes a medium-level budget of \$725/month, which covers room and board plus about \$150/month extra for incidentals, long-distance phone calls, etc. *Students may reduce or increase these “Room, Board, Miscellaneous” costs by choosing more or less frugal arrangements and lifestyles. However, financial support must cover the costs listed below for purposes of visa eligibility paperwork.*

“Academic Year” means the nine months of fall and spring semesters, specifically, the 17 weeks of fall semester (August-December), four weeks of winter vacation, and 17 weeks of spring semester (January-May). “Summer Session” includes eight weeks of classes and two three-week vacation periods. “Calendar Year” is 12 months, May to May.
