Summer Math Success Scholarship

Math preparation is one of the strongest predictors of success at New Mexico Tech and none know this better than our own graduates. In 2016, a generous gift was presented by a fellow Tech Alum who felt that students who are dedicated to, and already taking responsibility for, their current and future academic success should be encouraged and supported. The Summer Math Success Scholarship was established to provide early and significant support to these students. The Summer Math Success Scholarship is a financial scholarship that is awarded to incoming students who are currently placed in Pre-Calculus (MATH 1240) or Trigonometry (MATH 1230).

The scholarship is applied to the cost of one New Mexico Tech summer distance education math course to help bridge the gap between these courses and Calculus I (Math 1510).

This is a competitive scholarship with only 25 spaces available. Email completed application to osl@nmt.edu for consideration.

Criteria:
Student Classification: Incoming Freshman (Admission Accepted & Fee Paid)
Major: Any
Other Criteria: Math Placement in either Pre-Calculus or Trigonometry
Award: $500.00 (Toward the tuition of a 3 credit hour distance math course)

Deadlines:
Registration Opens: April 13, 2020
Registration Closes: June 8, 2020 (first day of summer classes)
Scholarship Deadline: May 30, 2020

Name:
Student ID (900#):
NMT Email Address:
Designated Major:
Career Goals:

Restrictions:

- Students must place in Math 1230 to register for Math 1230 DE
- Student must place in Math 1240 to register for Math 1240 DE
- Students who register in one of these summer courses will be able to enroll in the next higher math course for fall (e.g., signed up for Math 1230 = Math 1240 Fall Registration). However, if the student does not pass the course they will be disenrolled from the higher level course by the Registrar before the fall semester starts, and they will need to register for and retake the summer-level math course.

If you have questions about this scholarship please contact the Office for Student Learning (OSL).
