The pre-fabricated Warehouse sits on a concrete slab (supplied by others) that is independent and separated from any surrounding structure or concrete work.

1. These drawings do not represent fabrication details of structural or non-structural elements.
2. These drawings do not represent any construction details.
3. All external personal doors are 36" x 80".
4. Dimensions of all door openings are nominal, to be checked by the fabricator.
5. Placement of the centerline of doors is indicated on A-4, East & West Elevations, and on A-5b, 1st Floor Plan.
