Supervisor: ________________________________________________

We are pleased to offer you an appointment as a Graduate Assistant.

Please be advised before signing this contract of the following terms.

• All contracts are subject to the availability of funds. Contracts cannot be offered for less than 10 hours a week or for less than three months in duration if tuition residency is awarded.

• Research Assistantships are dependent upon grants and contracts in force during the period of the assistantship.

• You must be registered as a full time graduate student (12 credit hours per semester fall and spring and 6 credit hours during summer semester).

• The hours a graduate student registers for must be upper division classes (300 level or above). Any exceptions to this must have prior written approval of the Dean of Graduate Studies.

• You may not accept additional employment without the express prior permission of the Dean of Graduate Studies. Students holding assistantships may not work more than 20 hours per week during spring & fall academic semesters. Students on either an F-1 or J-1 student visa may not work more than 20 hours a week while school is in session during spring, summer or fall.

• Stipends are awarded in return for a contribution to the department or research project. They are not granted for study on dissertation or thesis work alone.

• All contracts terminate at the completion of your degree program, leaving of your degree program, or the contract termination date, whichever occurs first. This contract may also be terminated if you fail to perform satisfactorily either scholastically (below 3.0 GPA) or as an assistant (based on your performance appraisal). Your contract will be terminated if you drop below full-time enrollment.

• Effective date for new contracts is the start date for Effort Performed or following the date of last signature whichever is later. Your pay period stipend is based on your total contract dollar amount and the number of pay periods in the length of the contract. Your first check will be issued based on paperwork deadline dates and pay period pay dates.

• Any graduate student failing to complete the length or terms of this contract forfeits his/her rights to obtain a replacement or new contract for the same term. Your right of appeal is taken before the dean of graduate students, the advisor for the uncompleted contract and the proposed new advisor.

I have fully read and accept this assistantship offer and agree to observe the terms and conditions above.
