NEW MEXICO INSTITUTE OF MINING AND TECHNOLOGY seeks applicants for a tenure-track position in its Computer Science and Engineering (CSE) department. We intend to make an appointment at the Assistant Professor level; an Associate Professor appointment will be considered only for extremely qualified applicants. At the time of appointment, the applicant must have a Ph.D. degree in Computer Science (CS), Information Technology (IT), Computer Engineering, or a very closely related field. Potential for teaching and research excellence are vital qualifications. We seek a candidate with the ability to conduct research in current areas of CS and IT and to attract research funding; whose research areas extend the range of interests of the department’s faculty; and who has interest in and ability to collaborate in research. The candidate must be willing and able to teach graduate and undergraduate courses in CS and IT, including those on theoretical computer science, and more specifically, Formal Languages and Automata.

Focused on science and engineering, New Mexico Tech currently enrolls approximately 2000 students; the CSE Department has about 200 students in its B.S., M.S., and Ph.D. programs. Along with excellent facilities for research and teaching, there are opportunities to interact with nearby institutions such as the National Radio Astronomy Observatory, the Los Alamos National Laboratory, and the Sandia National Laboratories. The department has been designated a Center of Academic Excellence (CAE) in Information Assurance Education since 2002 and CAE in Information Assurance Research since 2009 by DHS/NSA. Its B.S. in Computer Science program has been accredited by ABET, Inc. since 2006. The Campus of New Mexico Tech is located in the Rio Grande Valley known for fabulous climate and endless outdoor recreational opportunities.

Applicants should submit a letter of interest, résumé, the names and addresses of at least three references, a brief description of research interests and accomplishments, the URL of one representative publication, a statement of teaching philosophy, and transcripts of graduate work to Computer Science Tenure-track Search, Human Resources, Box 073, New Mexico Institute of Mining and Technology, 801 Leroy Place, Socorro, NM 87801. Applications may be sent by e-mail to kmontoya@admin.nmt.edu. Applications received via email will be replied to within three business days. For information on this position send inquiries via email to secretary@cs.nmt.edu. Visit our web pages at http://www.nmt.edu and https://cs.nmt.edu. Screening will begin immediately and continue until the position is filled. Women and under-represented minorities are encouraged to apply. New Mexico Tech is an equal opportunity/affirmative action employer.
