To the NMT Student Government Association Senate:

Seven undergraduate students from the New Mexico Tech chapter of AIChE would like to attend the 2021 AIChE Annual Student Conference in Boston, Massachusetts. This conference will take place on November 5th through 8th and will include both competition and networking events. This student conference presents an unmatched opportunity for us to represent New Mexico Tech's quality of research and education.

Of the attending undergraduate students, two (Brandon McReynolds and Shane Risolio) will compete in the Chemical Engineering Jeopardy Competition. In this event, students are able to demonstrate their knowledge of both specific Chem-E principles and general STEM facts. NMT AIChE ranked first place for this competition in the 2021 Regional Student Conference, and we are now striving to be National champions! Our students practice together every week, study flashcards independently, and are showing incredible progress.

Five of our attending undergraduate students (Daniel Dolce, Naomi Helsel, Samantha Lindholm, Catherine House, and Brandon McReynolds) are presenting their research in the Undergraduate Student Poster Competition. These students are all under the stewardship of professors in the Chemical Engineering and Materials Departments. NMT AIChE members ranked within the top three for the Regional Poster Competitions in 2020 and 2021, so we are very confident in our prospects for the National competition.

This opportunity is, of course, not without cost. NMT AIChE is prioritizing the accessibility of this experience to members of all financial statuses; as such, we are attempting to cover all the largest travel expenses for our students. Our most expensive items by far will be flights and lodging. We strive to be as conservative as possible with our spending: we will book only two rooms for the duration of the conference, and are purchasing flights as a package deal:

<table>

<tbody>
<tr>
<td>7 Flights to Boston, MA</td>
<td>$2,900</td>
<td>7-flight package deal through Southwest Airlines</td>
</tr>
<tr>
<td>Air BnB</td>
<td>$1,300</td>
<td>Two rooms for three nights (from 11/05 – 11/08)</td>
</tr>
</tbody>
</table>

Total: $4,200

We have applied for funding for both of these items in full, but would be greatly appreciative of any help the SGA is willing to give. Your facilitation of our attendance to this 2021 Annual Student Conference, though it may be expressed in some dollar amount, warrants truly invaluable experiences, connections, and impressions, all of which are certain to benefit both student and institution.

Thank you,

Catherine House
