Welcome to the Institutional Characteristics Header survey component (IC Header). This survey was introduced to collect data that are key to reporting throughout the IPEDS data collection, and must be completed and locked before any other survey can be started.

The IC Header should be completed based on the current year. Some IC Header questions may require nothing more than a confirmation, if nothing has changed. Please make changes as necessary, and complete items that do need a response (enrollment questions).

Remember, it is the responsibility of the keyholder to provide NCES with accurate data about the institution. Please never hesitate to call the IPEDS Help Desk at 1-877-225-2568 and ask for help to make sure that you are reporting correctly!

Because of the importance of the IC Header data in determining the screens you will receive in other surveys, be sure to report correctly, and to contact the IPEDS Help Desk if you have ANY questions about what you need to report.

The IC Header data affect other survey components in the following ways:

- The Educational Offerings question verifies your institution's inclusion in IPEDS.
- The Control and Levels page is key to all survey components, especially to Finance (F) and Graduation Rates (GR). Additionally, this is important information for students, impacts many federal reports, and is used in placing institutions in appropriate net price groupings.
- Calendar system selection impacts student charges data reported in Institutional Characteristics (IC), Fall Enrollment (EF) data, GR data, and Student Financial Aid (SFA) data related to the net price calculation.
- Enrollment levels impact student charges in IC and enrollment categories in the EF survey component.
- The Open Admission question determines whether the Admissions component will be required in the Winter collection.
- The Academic Libraries expenses question determines whether the Academic Libraries component will be required in the Spring collection. This question is asked of degree-granting institutions only.
- The operations question for new institutions determines reporting of 12-month enrollment (E12).

Data Reporting Reminder:
- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting. For example, if a summer term began later than usual due to Coronavirus Pandemic postponements, continue to report using the timeframes as defined in the IPEDS instructions. NCES expects that some data reported during the 2020-21 data collection year will vary from established prior trends due to the impacts of Coronavirus Pandemic. If an error edit is triggered even when submitting accurate data, please indicate in the corresponding context box or verbally to the Help Desk that the seemingly inconsistent data are accurate and reflect the effects of Coronavirus Pandemic.

Changes to reporting for 2020-21:
- Subbaccalaureate certificates that are less than one year in length (former category 1) have been segmented into two subcategories based on duration (new categories 1a and 1b)

If you have questions about completing the survey, please contact the IPEDS Help Desk at 1-877-225-2568.
Part A - Educational Offerings

1. Which of the following types of instruction/programs are offered by your institution? [Check one or more]

☐ Occupational, may lead to a certificate, degree, or other recognized postsecondary credential
☐ Continuing professional (postbaccalaureate only)
☐ Recreational or avocational (leisure) programs
☐ Adult basic or remedial instruction or high school equivalency
☐ Secondary (high school)

If your institution does not offer occupational, academic or continuing professional programs, you are not expected to complete this or any other IPEDS survey.
Institution: New Mexico Institute of Mining and Technology (187967)

Part B - Organization - Control and Levels

1. What is your institutional control or affiliation?
   Be sure to select the correct control for your institution. Errors on this question have an impact throughout the IPEDS surveys, in federal reporting, in net price groupings, and on your institutions' appearance to students. If you reported incorrectly in a previous year, please contact the IPEDS Help Desk at 877.225.2568 to correct the error.

   - Select primary and/or secondary controls below

   **Primary control**
   - Public
   - Private for-profit
   - Private not-for-profit independent (no religious affiliation)
   - Private not-for-profit religious affiliation

   **Secondary control (if applicable)**
   - Select One

2. What award levels are offered by your institution? [Check all that apply]
   Award Levels reported should be completed based on the current year. When reporting award levels for subbaccalaureate certificates (levels 1a, 1b, 2, and 4), determine program length by the number of credit or clock hours.
   The "Other" award level should not be used unless your program truly does not fit any of the other award levels. We expect very few institutions to fit the "Other" category.
   Even though Teacher Preparation certificate programs may require a bachelor's degree for admission, they are considered subbaccalaureate undergraduate programs. Check the applicable award level 1a, 1b, 2, or 4, depending on the length of the Teacher Preparation program.

   **Award Level**

   **BELOW THE BACCALAUREATE:**
   - 1a
     - Postsecondary award, certificate, or diploma of
       - less than 300 clock hours, or

       - less than 13 quarter credit hours
   
   - 1b
     - Postsecondary award, certificate, or diploma of
       - 300-899 clock hours, or
       - 9-29 semester or trimester credit hours, or
       - 13-44 quarter credit hours
   
   - 2
     - Postsecondary award, certificate, or diploma of
       - at least 900 but less than 1,800 clock hours, or
       - at least 30 but less than 60 semester or trimester credit hours, or
       - at least 45 but less than 90 quarter credit hours
   
   - 3
     - Associate's degree
   
   - 4
     - Postsecondary award, certificate, or diploma of
       - 1,800 or more clock hours, or
       - 60 or more semester or trimester credit hours, or
       - 90 or more quarter credit hours

   **BACCALAUREATE AND ABOVE:**
   - 5

     - Doctor's degree - research/scholarship
   
   - 18
     - Doctor's degree - professional practice

   - 12
     - Other (please specify in context box below)

   ✔️ Yes, I confirm that I reviewed the award levels offered by my institution above.

   ✔️ You may use the box below to provide additional context for the data you have reported above. Context notes will be posted on the College Navigator website. Therefore, you should write all context notes using proper grammar (e.g., complete sentences with punctuation) and common language that can be easily understood by students and parents (e.g., spell out acronyms).
Institution: New Mexico Institute of Mining and Technology (187967)

Part B - Organization - Calendar System

Your response to the next question determines how your institution reports Institutional Characteristics student charges data in the fall, Student Financial Aid data in the winter, and Graduation Rates data in the winter. It also impacts the net price calculation in the Student Financial Aid survey.

If the calendar system differs from prior year or requires a change, please contact the IPEDS Help Desk at 877.225.2568.

3. What is the predominant calendar system at the institution? [Choose one]

   Academic Year Reporting Method (Standard academic terms)
   Selecting one of the following calendar types determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FALL COHORT, and student charges data for a full ACADEMIC YEAR.
   - Semester
   - Quarter
   - Trimester
   - 4-1-4 or similar plan

   Program Reporting Method (Other calendar system)
   Selecting one of the following calendar types determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FULL-YEAR COHORT, and student charges data by PROGRAM.
   - Differs by program
   - Continuous basis (every 2 weeks, monthly, or other period)

   Hybrid/Mixed Reporting Method (Standard academic terms, other academic calendar)
   Selecting the hybrid calendar type determines that your institution will provide Graduation Rates data based on a FULL-YEAR COHORT, student charges data for a full ACADEMIC YEAR, and Student Financial Aid data for students enrolling between August 1 and October 31.
   - Hybrid (Other academic calendar)
4. Does your institution enroll any of the following types of students?
Include all levels offered by your institution, even if there are no students currently enrolled at that level.
Responses to these questions determine which screens will be generated for reporting academic year tuition charges, and for reporting Fall Enrollment during the Spring collection. Additionally, checking Yes for full-time, first-time, degree/certificate-seeking undergraduate students determines that your institution must report cost of attendance data (on the IC component) and Student Financial Aid data for these students.

6. For Fall 2014, did your institution have any full-time, first-time degree/certificate-seeking students enrolled in programs at the baccalaureate level or below?
If you answer Yes to this question, you will be required to provide Graduation Rates data for the 2014-15 cohort in the winter collection. If you answer No to this question, indicate the reason you are not required to report Graduation Rates for the cohort year requested.
If you reported any full-time, first-time degree/certificate-seeking undergraduates on the 2014-15 Enrollment survey, the data will be preloaded below.

- [ ] Yes
- [ ] No

- [ ] This institution did not enroll full-time, first-time (undergraduate) students.
- [ ] This institution did not offer programs at or below the baccalaureate level.
- [ ] This institution was not in operation in 2014-15.

7. Multi-institution or multi-campus organization

Is the institution part of a multi-institution or multi-campus organization that owns, governs, or controls the institution? Do NOT indicate a religious affiliation here; that information is collected separately.

If you need assistance or need to make changes, contact the IPEDS Help Desk at 1-877-225-2568. You will not be able to lock your submission if this question is blank.

☐ No, this institution IS NOT a part of a multi-institution or multi-campus organization that owns, governs, or controls the institution.
☐ Yes, this institution IS a part of a multi-institution or multi-campus organization that owns, governs, or controls the institution.
Part C - Other Survey Screening Questions - Library Access and Expenses

2. Does your institution have access to a library collection?
   - [ ] No
   - [x] Yes (receives Academic Libraries component)

3. Were your annual total library expenses for Fiscal Year 2020 greater than zero?
   - [ ] No
   - [x] Yes (receives Academic Libraries component)
Part C - Other Survey Screening Questions - Open Admission

1. Does your institution have an open admission policy for all or most entering first-time degree/certificate-seeking undergraduate-level students?
If the only requirement for admission is a high school diploma or GED/other equivalent, your institution is still considered open admission. Institutions that require only an Ability to Benefit or similar test beyond the diploma/equivalent, and only reject a very small number of students based on the test, are also considered open admission.

☐ If your institution does not have an open admission policy, you will be required to report Admissions component on your admissions procedures and admissions yield.

☐ No
☐ Yes

... You may use the box below to provide additional context for the data you have reported above. Context notes will be posted on the College Navigator website. Therefore, you should write all context notes using proper grammar (e.g., complete sentences with punctuation) and common language that can be easily understood by students and parents (e.g., spell out acronyms).
Institutional Characteristics Header Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the Data Center and sent to your institution's CEO in November 2020.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.

Edit Report

IC Header

There are no errors for the selected survey and institution.
Institutional Characteristics Overview
Welcome to the Institutional Characteristics (IC) component. This component collects important information about your institution's mission, student services, and student charges.

Much of the data reported on IC appear on College Navigator, which is updated once after IC data have been reviewed. Thus, errors may stay on College Navigator for a full year.

Additionally, the cost of attendance data are used to calculate the net price of attendance in the Student Financial Aid component. This has important implications for what students see about your institution, and also for the College Affordability and Transparency Center's lists. Revisions or changes to costs can ONLY be made in the Student Financial Aid component and not in the prior year revision system.

Remember, it is the responsibility of the keyholder to submit accurate data about the institution. Please contact the IPEDS Help Desk for clarifications to make sure that you are reporting correctly.

Data Reporting Reminder:
- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting. For example, if a summer term began later than usual due to to Coronavirus Pandemic postponements, continue to report using the timeframes as defined in the IPEDS instructions. NCES expects that some data reported during the 2020-21 data collection year will vary from established prior trends due to the impacts of Coronavirus Pandemic. If an error edit is triggered even when submitting accurate data, please indicate in the corresponding context box or verbally to the Help Desk that the seemingly inconsistent data are accurate and reflect the effects of Coronavirus Pandemic.

Changes to reporting for 2020-21:
- The term 'dual credit' has been replaced with the term 'dual enrollment'

Common Errors
Quality control reviews of past IC data indicate frequently made errors. Please review the common errors below to ensure accurate reporting.
- Part C, question 8 should only be marked 'YES' if your institution is EXCLUSIVELY distance education. Do not mark 'YES' if your courses/programs are also available in person.
- Do not try to outsmart fatal errors; this is falsifying data. Contact the Help Desk to override, or fix, the data.
- Make sure you understand ALL definitions before responding to questions. For example, make sure that you are reporting for an 'ACADEMIC YEAR' or 'PROGRAM' as defined by IPEDS.

1. Are all full-time, first-time degree/certificate-seeking students required to live on campus or in institutionally controlled housing?

If your institution typically has this requirement but such requirement is temporarily suspended due to Coronavirus Pandemic, please answer Yes.

If you answer Yes to this question, you will not be asked to report off-campus room and board in the price of attendance (D11).

This is only a screening question, and your response does not show up on College Navigator.

If you make any exceptions to this rule, and have even one full-time, first-time student living off-campus, please answer No so that this does not cause conflicts with the Student Financial Aid survey. Making changes to the SFA component is very difficult and may lead to inaccurate reporting for your institution.

### Part D - Student Charges - Cost of Attendance

11. Cost of attendance for full-time, first-time undergraduate students:

Please enter the amounts requested below for each Cost of Attendance (COA) category. These data will be made available to the public on College Navigator. If your institution participates in any Title IV programs (e.g., Pell, Direct Loans), you must provide all information. Estimates of expenses for books and supplies, room and board, and other expenses are those from the COA report used by the financial aid office in determining financial need. Please confirm with your institution's financial aid office the correct values for these COA categories, as its staff are most familiar with federal guidance (e.g., Federal Student Aid Handbook) and professional standards in determining COA.

**Notes:**
- If your institution offers room (housing) but does not offer board, refer to your institution’s COA budgets to report an estimate of how much students would spend on board.
- Similarly, if your institution offers board but does not offer room (housing), refer to your institution's COA budgets to report an estimate of how much students would spend on room.

If the **2020-21 tuition and/or fees as reported on this page** for full-time, first-time students are covered by a tuition guarantee program, check the applicable box(es) under 'Tuition Guarantee.' Additionally, please indicate the maximum % increase that is guaranteed. **These numbers are expected to be fairly small. Please contact the Help Desk if you are confused about these values and how to report them.**

Institutional Characteristics Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the Data Center and sent to your institution's CEO in November 2020.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
