## EDUCATION IS IMPORTANT RACING IS IMPORTANTER

Come watch President Stephen Wells compete against Dr. Frank Etscom in an NMT first - a timed mini Baja race. The winner will receive an honorary cup and bragging rights. The loser, well that's up to him. This is an event you do not want to miss!

**Race Begins at 2:00 PM**

### BAJA

Come drive the Baja Car from the 2019 competition. Suggested donation will support Baja team's 2020 car competition in Kentucky.

### BATTLE BOTS

Students to present 2019 battle bot and will talk about creating interest in the New Mexico area. Build your own mini bots and fight them.

### HOT AIR BALLOONS

Learn about the science behind ballooning with tethered rides (weather permitting.) Limit for the day is 30 rides.

### DRONE FLYING COMPETITION

Learn about drone research at NMT. Race micro drones through an obstacle course in the gym. Fastest time at the end of the day gets to keep a micro drone.
