

## 2021 Elfego Baca Shoot Saturday, October 16, 2021

The annual event plays from the top of M-Mountain, approximately 7,280 feet, down to the base of the mountain. The first tee shot can travel about 500-600 yards depending on the line the player hits it on. The course will feature the usual collection of rattlesnakes, cactus, sheer rock faces, and clouds of gnats. The tournament is open to the first 10 paid entries and participants and their spotters must be 18 years of age or older to participate. Each participant is allowed three spotters to help find the golf ball and must provide their own spotters. Scorekeepers will be assigned to each participant. All participants must sign a release and waiver of liability prior to teeing off.

**Event Limit:** 10 players (first-come, first-served)

**Entry Fee:** \$125.00 per player

1 Participant, up to 3 Spotters

Must be 18 years of age or older to participate or be a spotter on the team.

### Special Rules

- Each entrant will be furnished with ten golf balls which will be marked for identification. Only these balls can be used and the entrant must finish the event with one of these balls.
- Each entrant will be provided an official scorekeeper to keep their score. The scorekeeper will stay with the entrant at all times and will not serve as a spotter. *Entrants must provide their own spotters.*
- The ball can be placed on a tee, or other material, for all shots. To improve your position the ball may be moved laterally or away from the hole approximately 50 feet, but the ball may not be moved closer to the hole. **A one stroke penalty will be given for each lost ball. Low gross plus the number of lost balls determines the winner.**
- Entrants must be in good health for this event. Tournament chairman will determine health qualifications if necessary.
- All individuals walking down the mountain must carry at least two bottles of water with them. Please bring a method to carry the bottles.
- Long pants must be worn by everyone participating in this event, for safety purposes.

*Pro Tips: Carry water, a broom with a short handle or a piece of rug to tee up the ball, only bring a few old clubs, good walking shoes, hat, sunscreen, long sleeves for protection against gnats.*
