

2026-2027 Verification Worksheet • Independent Student (V1)

Your 2026-2027 Free Application for Federal Student Aid (FAFSA) was selected for review for a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and your spouse (if married) whose information was reported on the FAFSA must complete and sign this worksheet, attach any required documents, and submit the form with any other required documents to the financial aid office. Please note that we may ask for additional documentation if we have reason to believe that the information provided is inaccurate. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
