- 5. Provide a detailed, sufficient explanation of the reasons, qualifications or unique capabilities of the prospective vendor that make that prospective vendor the one source for providing the items of tangible property, services, or professional services:**

We purchase Acushnet products directly at wholesale prices and resale those items in our golf shop at competitive retail prices for profit. We try to provide quality products at competitive prices to give our customers choices in golf equipment such as golf balls, clubs, golf bags, headwear and accessories. We cannot purchase their products from any other vendor at wholesale prices. Examples of our competitors are other golf courses in the state of New Mexico, Dick's Sporting Goods, The Golf Mart, GolfTec, Club Champion. These competitors cannot sell us Acushnet products at wholesale prices.

We sell approximately between \$80,000.00 and \$100,000.00 in Acushnet products for a typical year. The Acushnet Company holds one of the largest market shares in the categories of golf apparel and equipment. We would also lose out on the revenue and our profit margins from these products being sold at the pro shop.
