RE: RFB Number: RFB #26050036 - Amendment No. 1
Commodity: High Resolution 3D Laser Scanner

Q1. Can New Mexico Tech purchase directly from the manufacturer/vendor or should this bid come from one of our reseller partners?

A1. We can purchase directly from the manufacturer/vendor as long as they accept net terms and will provide their tax information (W-9 or W-8) so that we may register them as a vendor in our payment system.

ALL OFFERORS ARE REQUIRED TO CONFIRM THE RECEIPT OF THIS AMENDMENT IN THEIR RESPONSE.
ALL OTHER TERMS AND CONDITIONS OF THE RFP REMAIN UNCHANGED.
