RE: RFP Number: RFP 26030027 Addendum No. 2
Commodity: EMRTC Ordnance Technician

- Q1. Section 10 – Term (RFP 10.1, Page 9): Given that the term of the agreement may extend up to four (4) years, does the Customer require vendors to provide optional pricing for terms beyond the initial base period of one (1) year?
- A1. Yes. Vendors may provide optional pricing for terms beyond the initial one (1) year base period.
- Q2. Addendum 1 – RFP26030027 (A8, Page 1): Since a SECRET clearance is required per Q8, can the Customer confirm whether a DD254 will be provided to the awardee?
- A2. Yes. A DD254 will be provided when required. Clearances are issued on a customer need basis depending on the specific project received.

ALL OFFERORS ARE REQUIRED TO CONFIRM THE RECEIPT OF THIS AMENDMENT IN THEIR RESPONSE.
ALL OTHER TERMS AND CONDITIONS OF THE RFP REMAIN UNCHANGED.
