RE: RFP Number: RFP #27090006 - Amendment No. 2
Commodity: Statewide Aquifer Monitoring Well Prioritization Project

Q1: I am partnering with another firm on this proposal. Should we submit three client reference letters total, or should each firm submit three letters?

A1: Three (3) client reference letters are required for the proposal as a whole. It is not necessary for each partnering firm to submit three separate reference letters. The references should demonstrate relevant experience applicable to the services requested in the RFP.

Q2: The company that I am partnering with is based in New Mexico, but my firm is located in southern Colorado. How will the resident preference apply in this case?

A2: Any applicable New Mexico resident business preference will be evaluated based on the Offeror submitting the proposal and the requirements established under New Mexico law. The location of a partnering firm or subcontractor does not, by itself, establish eligibility for a resident business preference. The Offeror must provide the appropriate valid New Mexico resident business preference certification with its proposal in order to receive any applicable preference.

ALL OFFERORS ARE REQUIRED TO CONFIRM THE RECEIPT OF THIS AMENDMENT IN THEIR RESPONSE. ALL OTHER TERMS AND CONDITIONS OF THE RFP REMAIN UNCHANGED.
