RE: RFB Number: RFP#2504019P- Amendment No. 3
Commodity: Economic Development Master Planning and
Multimodal Consulting IDIQ

Please Note: This amendment is issued to amend the RFP as detailed below

- Q1) Considering RFP section 15.2.1.a, do the intended project staff at NMT and/or PRTC have the capabilities for virtual or hybrid meetings?
- A1) Yes.
- Q2) Considering RFP section 15.2.1.c and 15.2.2.f, does NMT have existing GIS or similar information related to PRTC? Or would that data need to be collected/created by the consultant?
- A2) GIS would be most likely limited to asset mapping in the region.
- Q3) Considering RFP section 15.2.1.a.i, does NMT have a desired project duration for both the economic development master plan and the multimodal master plan? Or, is there a month/year this work is required to be completed by?
- A3) Most master planning should be completed by summer 2026 for delivery to stakeholders. Other more focused plans may be required after that point.

Q4) Considering RFP section 1.12, if there is an interview round, are those interviews conducted in-person, hybrid, or virtual?

A4) Interviews are not required as part of the proposal evaluation for this RFP.

ALL OFFERORS ARE REQUIRED TO CONFIRM THE RECEIPT OF THIS AMENDMENT IN THEIR RESPONSE.
ALL OTHER TERMS AND CONDITIONS OF THE RFP REMAIN UNCHANGED.
