RE: RFP Number: RFP #27090007 - Amendment No. 4
Commodity: Deep Observation Well Services IDIQ

Q1: Section 14 (p. 10) states the resulting order will be subcontracted under a U.S. Government prime contract. Please identify the prime award(s) under which work will be performed, including the awarding agency and award or assistance listing number. If the IDIQ will be funded by multiple sources, please identify which source(s) will fund the initial task order for the campus geothermal well described in Section 15.3.1.

A1: The Energy Conservation and Management of New Mexico's Energy, Minerals and Natural Resources Department is funding this project. Should future projects rely on federal funding, applicable prime award details will be included.

Q2: Sections 8 and 9 (p. 9) state that procurements involving federal funds are excluded from in-state preferences, while Section 4.1.1 (p. 5) awards points for resident and resident veteran business status. Please confirm whether these preference points will apply to this solicitation.

A2: This project is funded by the State of New Mexico. Preference points apply.

Q3: Please confirm whether Davis-Bacon wage requirements (FAR 52.222-6) and Buy American Act (FAR 52.222-2) will apply to the initial task order, so proposers can price labor accordingly.

A3. New Mexico wage rates govern the initial project. Should future projects secure federal funding, federal regulations will apply.

ALL OFFERORS ARE REQUIRED TO CONFIRM THE RECEIPT OF THIS AMENDMENT IN THEIR RESPONSE.
ALL OTHER TERMS AND CONDITIONS OF THE RFP REMAIN UNCHANGED.
