RE: RFP Number: RFP #27070001 - Amendment No. 6
Commodity: Production and Communications IDIQ

Q1. Are the publications shown on the New Mexico Bureau of Geology and Mineral Resources website generally (or in any way) representative of the kinds of reports, periodicals and publications that NMIMT references in the RFP? If not, can NMIMT share or direct us to any of its existing publications that might be representative? (Section 15.2.4 Design/Layout/Production, page 11.)

A1. Yes, there are many different types of publications that are representative on the NMBGMR website, such as linked here:

<https://geoinfo.nmt.edu/publications/popular/home.html>

<https://geoinfo.nmt.edu/publications/technical/home.html>

Some recent publications are found in Open File Reports, examples:

<https://geoinfo.nmt.edu/publications/openfile/home.cfm?ListBy=Recent>

Or as recent periodicals here:

<https://geoinfo.nmt.edu/publications/periodicals/home.cfm>

We are also hoping to explore other formats for data / information sharing through this RFP.

ALL OFFERORS ARE REQUIRED TO CONFIRM THE RECEIPT OF THIS AMENDMENT IN THEIR RESPONSE.
ALL OTHER TERMS AND CONDITIONS OF THE RFP REMAIN UNCHANGED.
