Commodity: Clamps and Connectors

Please check the NM Tech website often for updates on this RFP.

Q1) Can you please confirm whether you would like pricing submitted in \$/pc or \$/ft units? We typically quote in \$/ft since casing joint lengths may range between 34-48 ft.
A2) We will accept either the pricing submitted in \$/ft or \$/joint. Please submit your proposal with the preferred type from your company.

All Offerors are required to confirm the receipt of this amendment in their response. All other terms and conditions of the RFP remain unchanged.
