***Letter of Addendum***

TO: All Offerors

FROM: Kimela Miller

DATE: October 4, 2021

RE: RFP Number: 220924C – Amendment #2  
 Commodity: Clamps and Connectors

Question 1) From the above tubulars chart are you requiring us to quote all sizes of tubulars (assuming range 3) and in essence turn the addendum #1 to the below?

<b><i>Item No.</i></b>	<b><i>Description</i></b>	<b><i>QTY</i></b>	<b><i>Unit Price</i></b>	<b><i>Extended Price</i></b>
1	Part# 5500-A-01CL8.3N7.3, SLX-268 & 269 (cross-coupling clamp with centralizers) Reference casing program	217		
2	Part# 4500-72F-02P02-4C, SLX-270 & 271 (mid-joint clamps with extra mass for cable orientation) Reference casing program	5		
3a	20", 94 lb/ft, J-55 Surface Casing - Welded Connections. ~100ft	3		
3b	13-3/8", 54.5 lb/ft, J-55 Casing, BTC Connections. 0-1,500ft	38		
3c	9-5/8", 40 lb/ft, L-80 Casing, BTC Connections. 0-5,500ft	138		
3d	5-1/2", 23.0 lb/ft, L-80 Casing, BTC Connections. 0-5,500ft	138		

3e	5-1/2", 23.0 lb/ft, 13CR-P110 Casing, Premium BTC Connections. 5,500-8,800ft	95		
<b>Total</b>				

Answer 1)

Yes, we do want the quotations for all of the casings (including the conductor, surface, intermediate, two types of production casing) with the specific couplings/connections.

We need the **3800 ft** of 13CR-P110 Casing with Premium BTC Connections (**FROM 5000'-8800', NOT FROM 5500'-8800'**). This type of casing is unique but critical for our well construction. ---Item 3e

Also, The total length of the 5-1/2", 23.0 lb/ft, L-80 Casing with BTC Connections from your item 3d is not correct. We want this casing from **surface to 5000ft, the total length is 5000ft.**

*Please check the NM Tech website often for updates on this RFP.*

All Offerors are required to confirm the receipt of this amendment in their response. All other terms and conditions of the RFP remain unchanged.
