Assistant Teaching Professor of Computer Science

Position Description: The Department of Computer Science and Engineering (CSE) at New Mexico Tech invites applications for a 9-month non-tenure track Assistant Teaching Professor position to start in the fall semester of 2026.

Successful candidates are expected to: (1) have a Ph.D. degree in Computer Science (CS) or a closely related field by the time of appointment; (2) teach undergraduate (e.g., introductory, upper-division, service courses) and graduate courses in CS and related fields (e.g., Information Technology, Cybersecurity); (3) serve as an academic advisor for undergraduate students; (4) contribute to the college's and institution's efforts in supporting student academic success while engaging and encouraging students from diverse academic, socioeconomic, and cultural backgrounds; and (5) assisting in department and university activities that include assessment and accreditation and other service activities in the profession and community.

Department Description: New Mexico Tech is a public 4-year technical university that is also a Hispanic-Serving Institution (HSI). The Department of CSE houses undergraduate and graduate degrees (M.S. and Ph.D.) in CS, with faculty contributing to transdisciplinary graduate programs (M.S. and Ph.D.) in Cybersecurity, as well as undergraduate degrees in Information Technology and Engineering Management.

Application Deadline: For best consideration, please apply by Mar. 15, 2026. Inquiries should be directed to the Search Committee Chair, Dr. Dongwan Shin at dongwan.shin@nmt.edu. To apply, submit a cover letter, CV, contact information for 3 references, and a teaching statement that includes instructional experience, a list of courses the applicant would be comfortable teaching, and approach to engaging and encouraging students from diverse backgrounds. Send this information electronically as a single PDF to Human Resources at nmtjobapps@npe.nmt.edu and cc dongwan.shin@nmt.edu (Search Chair) and Corey.Leclerc@nmt.edu (Dean of Engineering).

Equal Employment Opportunity: NMT is committed to creating a community in which a diverse population can learn, live, and work in an atmosphere of tolerance, civility, and respect for the rights and sensibilities of each individual. NMT is an Equal Opportunity Employer.

Benefits: NMT is committed to enabling a healthy work-life balance for its employees, with excellent benefits (health, vision, dental), tuition fee waiver for self and dependents, a generous retirement plan, recreational discounts, and access to a childcare center on campus.

Regional Attractions: New Mexico Tech is located in Socorro, NM, in the scenic Rio Grande River Valley of central New Mexico, just one hour south of Albuquerque with

its many attractions and convenient airport access. Socorro itself is a place with rich history and tradition, offering a friendly community and low-cost living. Nearby mountains and desert canyons provide opportunities for excellent hiking, climbing, biking and photography. The Bosque del Apache National Wildlife Refuge, located just south of Socorro along a major north-south flyway, offers some of the best birding in the USA. Skiing, hunting, fishing and rock-hounding are other favorite pastimes in the area and state.
