Assistant Professor of Hydrogeochemistry/Hydrogeology

The New Mexico Institute of Mining and Technology (NMT) invites applications for a tenure-track assistant professor position in Hydrogeochemistry/Hydrogeology. Applicants should have a Ph.D. in Earth Sciences, Civil Engineering, Environmental Engineering, or a related field at the time of appointment. We seek candidates with interests in aqueous geochemistry, isotope hydrology, contaminants, flow and transport in porous and fractured media, and/or vadose-zone hydrology. The successful candidate will be expected to develop a cutting-edge, externally funded research program and teach 3 classes per year at the graduate/undergraduate level.

Applicants should submit a letter of interest, resume, statements of teaching and research interests, one representative publication, and the names of three references in a single pdf sent to nmtjobapps@npe.nmt.edu and mark.person@nmt.edu. Inquiries should be directed to Hydrology search committee chair, Mark Person (mark.person@nmt.edu). Review of application material will begin on November 15, 2019. The search will remain open until the position is filled. New Mexico Tech is an equal opportunity/affirmative action employer.

NMT is committed to creating a community in which a diverse population can learn, live, and work in an atmosphere of tolerance, civility and respect for the rights and sensibilities of each individual. NMT is an Equal Opportunity Employer.

Excellent benefits (health, vision, dental), tuition fee waiver, and a generous retirement plan.

New Mexico Tech is located in Socorro, in the scenic Rio Grande River Valley of central New Mexico, 75 miles south of Albuquerque with its many attractions, and 139 miles south of Santa Fe. Nearby mountains and desert canyons provide opportunities for excellent hiking, climbing, and mountain biking. The Bosque del Apache National Wildlife Refuge, located just south of Socorro along a major north-south flyway, offers some of the best birding in the USA.
