JOB DUTIES:

Under general direction from the Senior Accounting Analyst, the Fiscal Reconciliation Specialist coordinates and manages the reconciliation of the University's operational bank accounts on a daily/monthly basis. The Fiscal Reconciliation Specialist provides assistance to the Senior Accounting Analyst in management, controlling for irregularities in banking transactions, investigating and resolving reconciliation discrepancies while updating accounts and reporting of financial information accurately. Ensures compliance with University's policies and procedures, as well as state and federal regulations. Maintains oversight of payment card industry standards and ensures compliance.

Reconciles University's operating accounts including comptrollers, vendors, and payroll accounts. Reconciles other assigned accounts, such as operating, claims, Perkins, and Bureau accounts. Monitors daily bank activity and import activity for vendor, comptrollers, and TouchNet. Monitors PayNet Exchange and WEX daily. Verifies and tracks banking electronic activity such as wire transfers and ACH activity. Researches paid checks for vendors, payroll and other claims accounts. Oversees Perkins funds, including reconciling to the general ledger. Periodically audits cashier's drawers and main vault cash. Remains knowledgeable and current through self-directed professional development. Performs other duties as assigned. Monitors banking activities for appropriateness and identify questionable and unusual reconciling items to be investigated. Communicates with other departments throughout the university to resolve issues related to accounting discrepancies found while performing bank reconciliations. Plays a key role in special projects and implementation of new systems and procedures. This position assists with policy development, update, and documenting procedures, as well as interface with various departments for ensuring smooth operations. Responds to audit requests. Establishes controls, monitoring results, and collaborating with others to modify and adapt processing methods and reporting in response to changes in regulations. Processes voided checks. Verifies deposits of electronic payments. Exports positive pay files and void check files to banks for vendor and payroll accounts. Places stop payments online for vendor, payroll and other claims accounts. Sends letters to students that have paid-in full Perkins Student Loans. Monitors stale-dated payroll, vendor, and Benefit Trust checks and send report to the State. Prepares Fiscal Operations Report and Application to Participate (FISAP) trial balance report. Assists with registration as needed. Enters changes for land leases monthly. Oversees retiree insurance payments, postings, and balancing health return. Oversees web payments and credit and reversals through TouchNet.

REQUIRED QUALIFICATIONS:

Bachelor's degree required in business or related field plus a concentration in accounting (concentration is introduction to accounting plus 12 additional hours in accounting). 6 hours may be waived for experience (1 year experience = 3) hours required.
