Registration

Regular Tech Students
Register for Community Education classes the same way you register for regular classes. Community Education credit courses are graded Satisfactory or Unsatisfactory (pass fail) and you must attend at least 70% of classes to pass the course. You may register on Banweb using your Banner number.

Community Education courses are elective credit courses. They do not count towards core general education requirements but they do count towards graduation and financial aid. Please see your advisor if you have any questions regarding credit for Community Education classes.

Community, Staff, Faculty and Retirees
Students who are not pursuing a degree program are classified as special students or non-degree seeking students. Special/Non-degree seeking students who have never taken a course at Tech need to complete the Admission form for Special Students and return the form to the Admissions Office in Fidel Center. For further information, please call 575-835-5424.

Students with degrees must apply in the Graduate Office, Fidel Center. You may also download an application online at our website. Staff, Faculty, and Retirees, receive a tuition waiver up to three credit hours. Please check with Human Resources Office for the tuition waiver form. Note that students must attend and participate in a minimum of 70% of classes to pass the course.

Tuition
Full-time undergraduate students do not pay extra tuition when these classes are part of their 12-18 hour course load. Full-time graduate students may enroll for 1 credit hour of Community Education coursework beyond their 12 hour credit limit, at no extra charge, with the permission of the Graduate Office.

Special Students are charged for 1 credit hour, $255.54*(subject to change) for each class. Classes will have material or labs fees as well. Tuition for seniors 65 years and older pay $5.00 per credit hour and must be requested at time of registration in the Registrar’s Office.
