Celebrating the Successful Conclusion of Launching Tech to New Heights Campaign.

Dear Campaign Co-Chairs, Cabinet Members, and NMT Leadership,

Thanks to the generosity of hundreds of donors, New Mexico Tech raised more than \$91M during its first comprehensive campaign, Launching Tech to New Heights. This successful outcome was made possible because of your support of and loyalty to NMT.

Because of you, and donors like you, New Mexico Tech has been able to expand academics, research, facilities, scholarships, and extracurricular activities in significant ways. Your dedication is one reason why we have been a leader in science, technology, engineering, entrepreneurship, and mathematics since our founding in 1889.

To thank all those who contributed to the campaign—including the tireless efforts of the NMT Advancement team and invaluable contributions from faculty, staff, and students—we will host a special celebratory reception on Thursday, Oct. 17, at the NMT President's house, 300 McCutcheon Ave., Socorro, NM 87801. Cocktails and appetizers begin at 6 PM.

We hope to see you there.

We further hope that you will take advantage of the many events in store during the 49ers homecoming weekend. Click [here](#) for a full list of activities.

Thank you for being an essential part of this campaign. Together, we've made a lasting positive impact for our students, faculty, and staff.

With gratitude,

Mahyar Amouzegar and Colleen Foster
