Vice President of Research Candidate Campus Interviews

Dear Campus Community,

NMT invites the campus community to attend and participate in on-campus interviews for three candidates for the Vice President of Research position during the week of Oct. 28.

Events will be held at Deju University House:

- Candidate meeting with students @ 11:00 - 11:50 AM
- Candidate presentation at an open session for all campus stakeholders @ 1:45 - 2:45 PM. See below for more details.
- Candidate meeting with faculty, chairs, and deans @ 3:00 - 3:45 PM

The candidates are:

- **Wed, Oct. 30: Jeff Terry**, University Liaison to the National Laboratories, Research Office, and Associate Dean of Graduate Studies and Research, Illinois Institute of Technology.
- **Thu, Oct. 31: Lique Coolen**, Assistant to the Provost for Special Projects, and Professor, Biological Sciences, Kent State University.
- **Fri, Nov. 1: Nicole Beebe**, Assistant Vice President, Faculty Research Development, Office of Research, and Professor of Information Systems and Cyber Security, University of Texas at San Antonio.

CV and info of each candidate can be found [here](#).

Candidates will make a 30-minute presentation, followed by a question-and-answer discussion. This is an in-person event only. Please [REGISTER HERE](#) to attend each session. A survey will be sent out after each session for comments.

Please contact [Vanessa Grain](#) at the Office of the President if you have any questions.

Warm regards,

Mahyar
