Sport Club Coach Agreement and Expectations

Club Administration, Operation and Finances

- Sport Clubs are student organizations and must be governed and controlled at all times by the student members of the organization. Sport Clubs provide opportunities for students to develop leadership and organizational skills. Student representatives/officers are responsible for managing the organization and shall serve as the primary contact between the club and various university offices. Coach may provide input concerning finances, fundraising, competition schedules, demonstrations, special events, and training trips. However, the final decision regarding any club matter will be made by the student officers.

- Coach will provide a brief club report each semester to the Sport Club Coordinator including an active member’s roster.

- Coach will attend executive office, general meetings, and organization events when applicable and assist in the orientation of new members during club fairs and the transition process of officers at the end of the academic year.

- Coach shall not solicit money from any source, in the name of New Mexico Tech or the named club without approval of the club and the proper University officials. If a coaching agreement is terminated, the coaches may be paid for their services on a pro-rated scale of total practices and/or competitions schedule if included in the original signed contract.

- The Physical Recreation Department will pay expenses, when appropriate, for mileage and lodging during training and competitive events. Mileage is paid at $.35/mile (a copy of route must be attached to form). Lodging must be made at the same location and must be the same price as the club members. Travel must be approved one week in advance.

- It is the right and obligation of the sport club program to protect the club and if, in the staff’s opinion the coach is not meeting expectations deemed in the best interest of the club, the coach may be relieved of duties. Please note that these regulations and sanctions apply to student coaches as well as non-student coaches. The Physical Recreation department reserves the right to suspend club privileges if club officers do not comply with this request.

Evaluations and Renewal of Agreement:

- Performance evaluations will be conducted once per semester by club officers and potentially by club membership.

- Agreement renewal for all emergency hire coaches will be discussed at the end of the current agreement term.
