

## NCKRI Seed Grant Review Sheet

Instructions: Please rate projects on a scale of 1-5 with 1 being the lowest and 5 being the highest. Please include notes in the space provided. (Unless otherwise indicated, comments will be shared with the authors.)

**Applicant name:** \_\_\_\_\_

**Title of Proposal:** \_\_\_\_\_

	Yes/No	Notes
<b>Is the proposed project relevant to cave and karst science?</b>		
<b>Does the project represent new research by the PI and team?</b>		

	Rating (1-5)	Notes
<b>Rate the scientific merits of the proposal.</b>		
<b>Rate the potential longevity of the proposed research.</b> (Consider whether data obtained through this seed funding will make the research team competitive for support from other funding agencies in the future.)		
<b>Rate the potential of this proposal for advancing cave and karst science.</b>		

<b>Rate the quality of the proposed outreach activity.</b>		
<b>Are the proposal budget and project timeline reasonable?</b>
