Hello All! As the semester draws to a close, there are a few things that you should be looking for and taking care of. The following is primarily aimed at students who are currently living on campus:

• Ensure that you have filled out the online form indicating your plans for Thanksgiving break. The form was due on November 1st.

• You should be getting an email with end-of-semester instructions for people who live in the dorms or apartments, including a checklist that needs to be filled out by either you or your roommate(s)!

• If you are ever confused or not sure of what to do next, please email Residential Life or talk to your RA.

See next page for more events and information!

COVID-19 ADJUSTMENTS FOR SPRING 2021
Announcement from ResLife ProStaff
Currently, the Governor of New Mexico is requiring all students who leave the state of New Mexico to quarantine/isoalte for 14 days upon return to New Mexico. If you are leaving the state and do not wish to isolate in your room for the first 14 days of school you will need to return to campus on January 4th. We are closely monitoring the number of cases in New Mexico/Socorro County/New Mexico Tech to see if we need to adjust any of our procedures. If we make any changes we will email you all right away. So please monitor your emails closely over the winter break. Normal return for the Spring semester begins Saturday, January 16th. Our office will be open from 8 am to 5 pm that extended weekend (including MLK day) so residents can have their cards re-encoded. We will have a station set up next to Chartwells as we did at the beginning of the Fall semester.

Residential Life office will be closed from December 23rd through January 1st. We will reopen Monday, January 4th. Please note that if you email/call us during the days we are closed we will not see those emails or voicemails until January 4th. If you need urgent assistance during that time please call Campus Police at 575-835-5434 and they will contact a Residential Life staff member that is on call.
