

NEW MEXICO TECH HOUSING AND RESIDENTIAL LIFE

Have questions?

Please contact Koreen Kerfoot
koreen.kerfoot@nmt.edu

KMLC provides incoming freshmen students an opportunity to participate in a 4-day retreat geared towards assisting with the transition from high school to college life.

- Move in early
- Get to know other students
- Enhance your leadership skills
- Give back to the community

New Mexico Tech
Housing and Residential Life
801 Leroy Place
Socorro NM 87801

*"That is a great
advantage to get used
to college life and
meet faculty before
college starts.
Recommended!"*

KELLY MINE

LEADERSHIP CAMP

JOIN US THIS YEAR!

August 6 - 11, 2023

Registration Due: July 1, 2023

Registration
now open

"It was overall a great experience that helped me meet new people before starting school, and taught me some things I didn't know about leadership and working with other people"
- Nathan '22

COMMUNITY

Tech aspires to empower the development of students as they define their purpose and engage in the ethical, inclusive, and empowering process of leadership.

Valuing:

- Integrity
- Inclusivity
- Community
- Empowerment

LEADERSHIP

Students will learn what it means to be a Miner, learn about and create Tech traditions, meet other Techies, make new friends, and find support systems. Camp mentors will assist in the implementation of Kelly Mine Leadership Camp (KMLC) and serve as a support system for participants, and as a resource for each and every student at KMLC, Tech, and beyond!

"Definitely participate, you already have friends before the year starts up and moving in early was a big help instead of doing it when everyone else arrived, also helped me get to learn the town and campus"

- Summer '22

Yes, we know College is all about learning, but some of that learning happens outside the classroom and can be fun too. Here is your chance to learn about Tech and to create your own successful "inside track." You will be led by other undergraduate students of Tech who embody the Miner Spirit and are great examples of what it means to successfully transition and excel as a college student.

LEARNING

Activities include:

- Exploring Your Strengths
- Setting Yourself Up for Success @Tech
- Ways to Get Involved
- Small Group Conversations
- Ropes Course
- Service Project
- Interactive activities around Navigating Differences, Communication, and Identity
