We Help You From the Moment You Arrive

Pull Up — We've Got the Rest
As soon as you arrive at Fidel Center, our student volunteers will meet you at your vehicle and:

- Help unload your materials
- Escort your items up to the 3rd floor ballrooms
- Get you checked in quickly and smoothly

On your way up, be sure to scan the QR codes posted along the route for a smoother check-in.

Location

Sunny Socorro, NM — 300+ days of sunshine

Outdoor paradise + 75 miles from Albuquerque

Founded in 1889 as the New Mexico School of Mines.

What to Do While You're in Town

NMT Golf Course (on campus map) Located on Tech's campus, this beautiful 18-hole course is a must-play with dynamic views of the Rio Grande Valley.

Historic Socorro Walking Tour The historic city of Socorro features many interesting and unique sites. The walking tour, divided into 3 sections, takes visitors to historic buildings, parks, and more.

Socorro's Historic Plaza Traditionally placed in the center of town the Plaza features a gazebo surrounded by various local shops. It is also a repository for a piece of the structure that housed the first atomic bomb detonated at Trinity Site.

Very Large Array Located between Magdalena and Datil, about 50 miles southwest of Socorro, are the 27 dishes comprising one of the world's premier astronomical radio observatories

Bosque del Apache National Wildlife Refuge View the diverse birds and wildlife on this gorgeous 12-mile driving loop, located less than half an hour south of Socorro.

We're Here to Help!
