

Counseling Center is here to help

The NMT Counseling Center is very excited to announce that Tech has partnered up with the Virtual Care Group (VCG), to offer **free** supplemental healthcare services to our degree-seeking students.

Both in-person sessions on campus and the VCG are available for those degree-seeking students currently enrolled for Spring 2024 classes. To learn more about how to access services please visit www.nmt.edu/cds.

As a New Mexico Institute of Mining and Technology (New Mexico Tech) student, you have free access to in person sessions with the Counseling Center (Fidel Student Center 151, outside entrance, 575-835-6619) as well as unlimited access to doctors and therapists + on demand crisis counseling with the Virtual Care Group.

Getting Started is Easy.

- **Register at thevirtualcaregroup.com/nmimt to speak to a doctor or therapist today!**
- Please use zip code 87801 when prompted.
